Four inch fabric header
triple folds to reinforce
grommets and ensure
superior strength.

Integral mesh construction
provides continuity of
design with life-long
code compliance.

No puckering, shrinking or
weakness with our unique
one piece construction.

Integral mesh fabric, 102"
wide, requires no repeat or
seaming, which translates
into savings.

Integral mesh retains its
shape through frequent
laundering; always hangs
and stacks beautifully.
