### PVC free faux leather

Composition:	100% Polyurethane with a polyester backing.
Width:	54"
Weight:	25.4 oz/yd
Type:	Distressed Faux Leather – High Performance
Finish:	Ink Resistant (Writer’s Block)
Abrasion Resistance:	Wyzenbeek 250,000 Double Rubs
Hydrolysis:	10 Weeks ISO 1419:1995 (Jungle Test)
Flammability:	California Technical Bulletin 117 - 2013 UFAC Class I NFPA 260
Cleaning Code:	WS & BC – Bleach Cleanable
General Care and Cleaning:	For everyday maintenance, simply clean with a damp cloth or mild soap and water. For soiled areas wipe with non-abrasive general-purpose cleaner. Difficult stains can be cleaned with 70% diluted rubbing alcohol and water. It is recommended to wipe the material surface with fresh water after application of any cleaner or disinfectant.  Spills and splatters won’t matter with Writer’s Block performance polyurethanes. The repel-and-release stain inhibiting system protects from the toughest stains including ink, indigo denim-dye transfer, or food and drink. Beyond clean, Writer’s Block faux leathers are engineered to outperform, with healthcare grade hydrolysis, and bleach cleanability.

### Reduced Environmental Impact

---

This product does not pose any exposure risks associated with the chemicals in PROP 65.

No Added Flame Retardant Chemicals – AB2998 Compliant

No Added Anti-bacterial / Anti-microbial Chemicals

Does Not Contain Conflict Minerals

Lead / Heavy Metal Free

BPA Free / TRIS Free / Formaldehyde Free

PVC Free

PFAS/PFC Free Stain Resistance

Disclaimer: This product meets the Healthy Interior goals of the Safer Chemical Challenge according to the manufacturer Practice Greenhealth does not verify this information.
